Give an example of your method being used below.

Create an avatar and pseudonym

We would like to upload your entry to our website and possibly use it in our magazine. All our contributors use an avatar (fake profile picture) and pseudonym (fake name). This way you are anonymous. In order to win the competition please make sure you let us know what school you go to.

Avatar

Pseudonym: _____

School: _____

Suggested name for the method: _____

The entries will be judged by a panel of expert maths teachers.

To enter the competition

Either send your entry to **thisismaths@priory.e-sussex.sch.uk**

Or

Send by post to

Priory school
This is maths
Mountfield road
Lewes
BN7 2XN

I am happy for my entry, avatar and pseudonym to be used on the website and magazine. Please tick the box if you agree. ☐
